Dear Mr. Thompson,

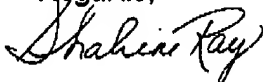

This is in reply to your telephone inquiry.

Attached, I am faxing two original pages marked up to show our recommended changes for the data that you requested. Also attached is a clean copy with all of the changes implemented.

As to the first case mentioned you'll see that the situation was somewhat complicated, as now described in the text.

Two additional applications in the original list never became patents, namely, the third Askeland case and the Cluet case.

Regards,

Shaliene Ray
